The U.S. Department of Labor, Employment and Training Administration (ETA) would like introduce you to **WorkforceGPS**—the next generation, device-friendly website for peer-to-peer connection and resources to help you better do your job.

Sponsored by the U.S. Department of Labor's Employment and Training Administration (ETA), WorkforceGPS is an interactive online communication and learning technical assistance (TA) platform that was designed to communicate with and build the capacity of the public workforce investment system to develop and implement innovative approaches to workforce and economic development in the 21st Century economy. This website, which offers resources and peer-to-peer connection, supplements other TA provided by ETA's national and regional staff to help the public workforce system, education professionals, and business.

On WorkforceGPS you will find:

- A committed community of public workforce system stakeholders;
- Comprehensive site-wide searches;
- Register for free for a MyWorkforceGPS account;
- TA resources, online learning opportunities, and space to connect and collaborate with peers on topics that interest you;
- A tool for all your TA tools as you search, save, share, and navigate to success today!
