Formula for Realignment of BRT

- Familiarity of federal staff with local planning efforts.
- Importance of having single FTA Planner involved in all Fresno-related efforts.
- Confidence of FTA Planner to hold firm on importance of realignment, even with the possibility of schedule delays.
- Support for realignment by FTA Region 9 leadership.
- Direct line of communication between federal government and Mayor's Office via SC2.
- Willingness of SC2 Team Lead to communicate concerns expressed by FTA about the original alignment to Mayor's Office.
- Continued monitoring by SC2 Team Lead.
